It involved a lot more than I had expected.
Coming up with new designs,
Urgh...
taking professional photos at the studio,
and visiting the printing office,
I was kept very busy.

I'm going out. ♪

Wow!!
The book's out??

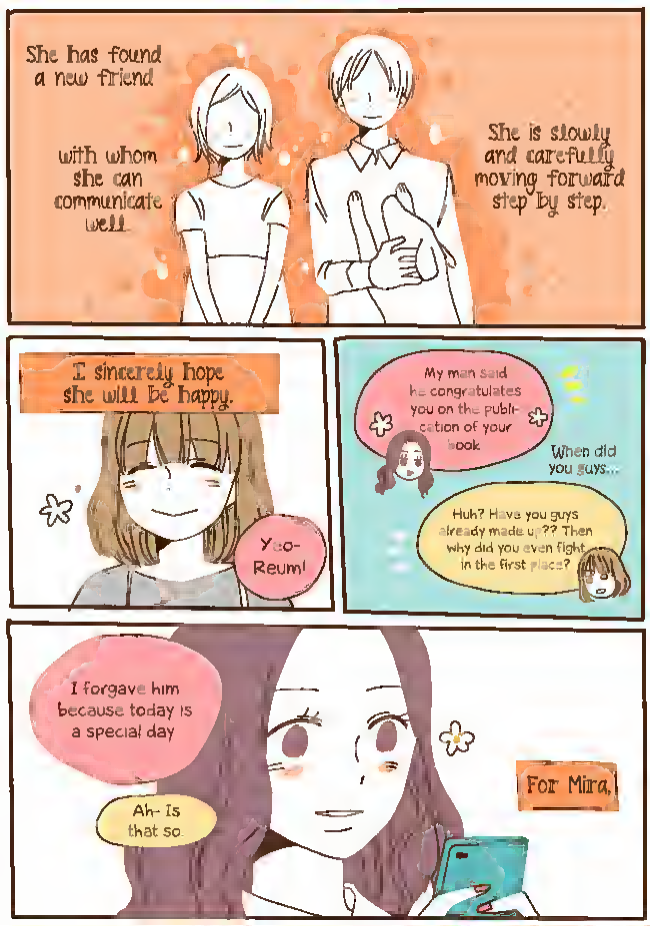
It's so pretty!
I know, right??
But what's up with these pictures...?
I drew them!!
Did... you...?
It's really vinta..ge.
You purposefully said "ge" quietly, didn't you!
To be honest, these drawings were a mistake, so why did you draw them?
Compliments only, please...No insults.
Apparently she fought with her boyfriend..
Whisper
None.
No wonder~

Actually holding the book, it makes me realize this is really happening... It's weird
Same here. Haha.
Would it be rude of me to joke about how the one who wanted to be an author was Jung-Sang Oppa...?
You became an author...
before Jung-Sang Oppa...
Haha...
So that's it...
Jung-Ah put on makeup...
Jung-Ah must have moved on well...



She has found a new friend
with whom she can communicate well
She is slowly and carefully moving forward step by step.
I sincerely hope she will be happy.
Yeo-Reum!
My man said he congratulates you on the publication of your book
When did you guys...
Huh? Have you guys already made up?? Then why did you even fight in the first place?
I forgave him because today is a special day
Ah- Is that so
For Mira,

fights with her boyfriend became frequent.
You know... Pyung-Hwa-ssi said-
Boohoo.
It's your fault.
You haven't even heard anything!
Every time...
Well, it's obvious...
I'm not sure if she know that after a fight, a period of peace finds her.
It's a picture of the two of us!
Ah... I see.
Ah...
It's already

summer...
What?
Yes?
Who came?
Eh?
No

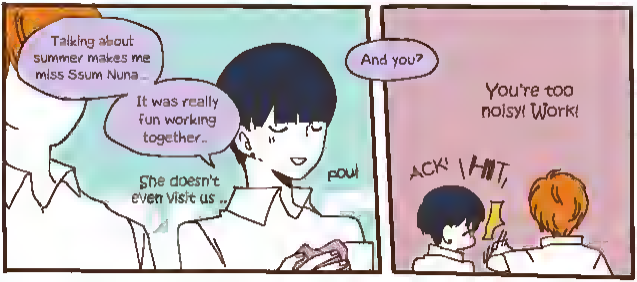
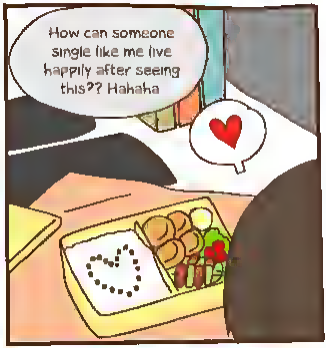
I just said
Summer is here

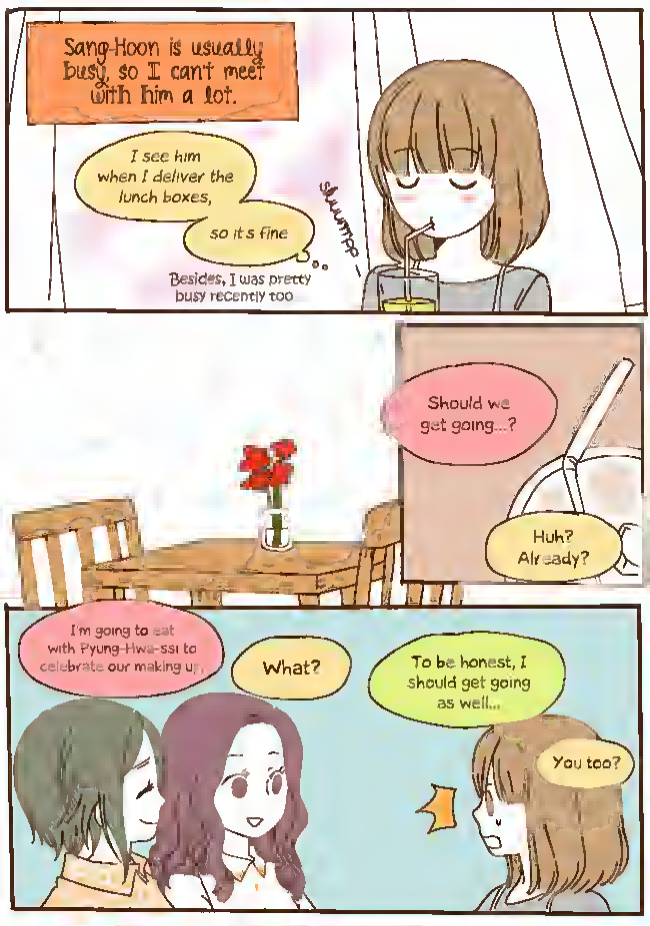


Ever since that day, I never saw Nam Sun-Oh.

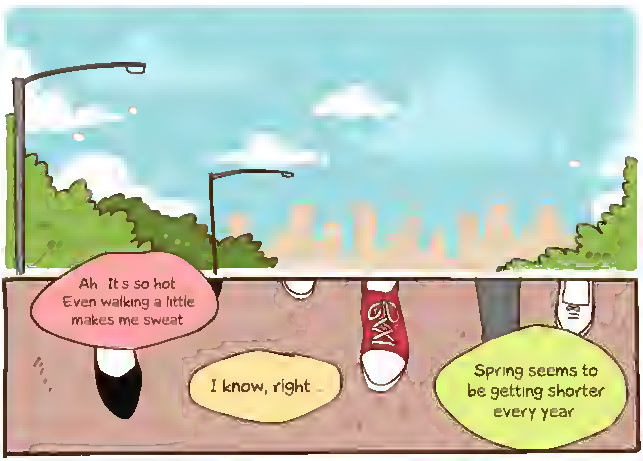


And,

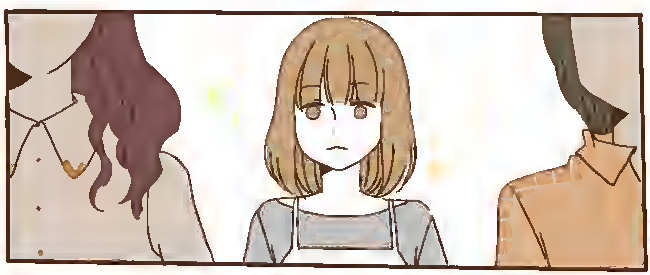
as I reflect on my past behavior, I am doing my best to take care of Sang-Hoon.



Sang-Hoon is usually busy, so I can't meet with him a lot.
I see him when I deliver the lunch boxes,
so it's fine
Besides, I was pretty busy recently too
slurrrp
Should we get going...?
Huh? Already?
I'm going to eat with Pyung-Hwa-ssi to celebrate our making up.
What?
To be honest, I should get going as well...
You too?



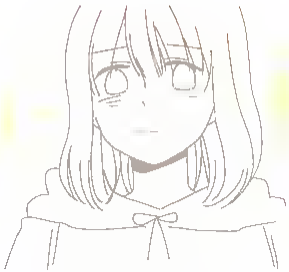
From winter to summer,



as the seasons changed, many things happened

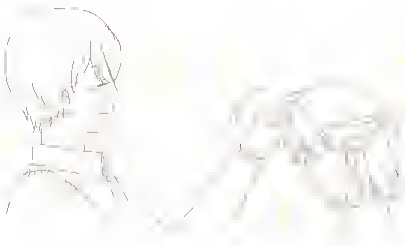
There was a fateful encounter,

the separation of a long-time love,



and the moments of confusion at uninvited feelings.

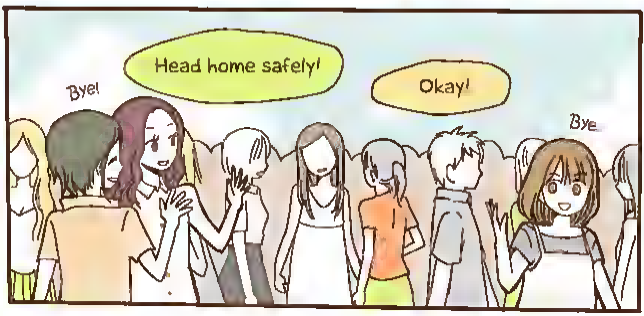
And as we try hard to ignore those feelings,



we learn how to appreciate others,

and make a new beginning for things you've dreamed of...

We're going this way
This way for me



Bye!
Head home safely!
Okay!
Bye

This story of mine,

this ordinary story.
will go around and around.
It will be edited.
It will be expanded.

Perhaps the main character
will become more evil or more kind.

But by the time I hear this story again,

it will no longer be a story of mine.

But a story of someone we know.
